Subject: Change to the Department of Defense Financial
Management Regulation, Volume 7A, (DoDFMR, Vol. 7A), on
Designated Hostile Fire or Imminent Danger Pay Areas,
(DFAS Item F-59)

Attached is DFAS Interim Change Number 45-96 to the DoDFMR,
Volume 7, Part A. The change is effective October 1, 1996.

Attached is a change to Chapter 10 of the DoDFMR, Volume 7A
(version effective July 1996). The purpose of this change is to
clarify the designation of and individually identify certain
areas and countries, especially those which were initially part
of a larger designated area such as "the Persian Gulf Area" and
"the former Yugoslavia". This change also corrects a printing
omission regarding the designation of Turkey which appeared in
the July 1996 edition of Volume 7A.

We have evaluated your comments on the draft change to the
DoDFMR, Volume 7A. The attached final version of the change
includes your comments where appropriate. Assignment of an
interim change number is your authority to start a procedural
modification to facilitate this change. For the Denver Center,
use the first attachment to initiate the formal printed change to
the DoDFMR and the second attachment for the interim change
message.
